

Refreshing PROFITABILITY

EXTRAORDINARY STANDARD FEATURES (More features on back)

- **Fragrance delivery system ensures clog-free vends.** Decreases your downtime.
- **Mars Bill Validator gives customers the convenience of using bills in the machine.** Lowers your lot foot-traffic and increases your revenues.
- **Service selection buttons let customers easily switch between Vacuum and Fragrance modes.** Reduces customer confusion and offers greater value.
- **Intelligent dual display timer allows use of both services during one cycle automatically tracking the elapsed time for each service.** "Last Coin Alert" encourages customers to extend the cycle by depositing additional funds. Enhanced revenue potential on each and every vend!
- **Incredible Merchandising Power—** Dazzling graphics, illuminated dome, colored hose and scrolling visual display grabs attention to draw customers day and night. Customize your units to compliment and enhance your property.

INCREDIBLY POWERFUL

- **Built-in Mars Bill Validator accepts \$1, \$2 & \$5 bills.** Your customers will love the convenience. You'll love the added profits!
- **Specially formulated scents produce a more pleasing and longer lasting fragrance.** Gives your customers a higher value perception to stimulate more repeat business.
- **High-tech modular control panel and multiple circuit status indicator lights make field service fast and easy.** Fresh'N Up is ultra-dependable which helps reduce your operating costs.
- **Three-door design segregates service areas from the money vault. Interior vault panels are keyed separately with Medeco® Screw Locks.** Your customers will love the convenience. You'll love the added profits!
- **Our high strength service door locks, tightly fitting door panels, and reinforced side rails discourage vandalism and robbery.** Keeping your profits secure is one of our top priorities.
- **Money vault features our layered two-door security.** This vault access design offers you even greater protection.
- **High capacity vac filtration system for maximum air flow.** Cuts your maintenance costs.

Available Upgrades:

TURBO Service (3rd motor option)
Liberator Credit Card System
